The Project ► BRIEF DESCRIPTION

INSULA EUROPAE generally aims to:

- ✓ Encourage teachers throughout Europe to extend the breadth of their teaching, in particular to introduce a wider European dimension of teaching;
- ✓ Develop teaching strategies in order to support European culture of tolerance into curricula and to increase European civic conscience;
- ✓ Improve professional development of teachers and the quality of teaching and learning in the schools;
- ✓ Provide teachers with a wide range of perspectives, teaching ideas and materials on those topics, themes and events, which have been of particular significance to European integration;
- ✓ Offer some practical advice on how to make effective use of innovative communication technologies in the teaching and learning activities.
