

# **eEuroInclusion: Developing a PanEuropean Network of LWULT Languages**

[www.eeuroinclusion.org](http://www.eeuroinclusion.org)

# eEuroInclusion: Developing a PanEuropean Network of LWULT Languages

- European LWULT languages
- information about languages and services
- Different institutions and organizations
- Forum: linguistics, languages, teaching and dissemination
- PanEuropean conference for the Association of LWULT languages
- Research articles about methodology experiences and transfer (A Communicative Student-Centered Approach to Teaching; Learn your Student; e-Learning, Languages and Things that You Cannot Leave Behind, etc.)

[www.euroinclusion.org](http://www.euroinclusion.org)

# **eEuroInclusion: Developing a PanEuropean Network of LWULT Languages**

## Objectives:

- Act as a portal for providing awareness, disseminating, informing and maintaining contact with all the European LWULT languages centres
- Promote the European educational and cultural heritage
- eEuro Inclusion gives LWULT LRCs greater visibility
- Exchange of knowledge, expertise and experiences among the centres devoted to LWULT languages: common European enrichment
- Act as a channel of information for seekers of the services providers

[www.eeuroinclusion.org](http://www.eeuroinclusion.org)

Updateness of contents:

- Language resource centres (LRC's) activities
- European projects and conferences
- Disseminating tool for other institutional events and for Socrates projects and activities

Web sections:

1. News and Events
2. Courses and Resources
3. Research: general language, LWULT languages, methodology on LWULT languages, linguistic miscellany, literature, culture, other
4. Jobs
5. Forum

[www.euroinclusion.org](http://www.euroinclusion.org)

*Teaching:*

-providing information and promoting contact with linguistic services centres:

traditional teaching centres, online teaching, autonomous learning centres, centres devoted to the design of materials (either aimed to paper-based or on-line publication)

*-Dissemination channels:*

Local, regional, national or international levels:

- conferences, congresses, fairs, etc.

- languages centres, schools, embassies and consulates

[www.eeuroinclusion.org](http://www.eeuroinclusion.org)

Main achievement of eEuroInclusion:

*DISSEMINATION*

- transferring information about the project itself
- transferring information about LWULT languages
- channel of dissemination of other projects
- contact tool for teachers, students and seekers of services of European less popular languages

Among the latest activities/projects disseminated:

- project UNIQUE, with the objective of implementing a standardised methodology for teaching less popular European languages
- DissMark Conference and Survival Kit for linguistic projects - successful dissemination, exploitation and valorisation of educational products
